HOBBIES

EXPERIENCE

FULLSTACK WEB DEVELOPER

2020 to present | DeepNeuronLab GmbH – Berlin

Collaborated in a team-focused environment providing software solutions to diverse bank clients.

- Core product developing APIs specifically with Python, Flask, and machine learning models.
- Working with VueJS framework to create a software frontend solution for the clients.
- Adhered to high-quality development standards while delivering solutions on-time and on-budget.

FULLSTACK WEB DEVELOPER

2019 to 2020 | ArtNight GmbH – Berlin

Key contributor to startup company's fast evolution and expansion from selling one product to offering four more full solutions suite markets.

- Led development of robust UI upgrades to the company platform. Engineered software for data warehousing to enhance decision making using email templates.
- Assisting on fixing Bugs and implement new backend solutions for the Wordpress platform.
